SEVRAR Partners with Boys & Girls Clubs of the East Valley to help Arizona's Youth

Mesa, AZ – **Southeast Valley Regional Association of Realtors®** has partnered with **Boys & Girls Club of the East Valley** to spread awareness of youth programs while combining efforts with the SEVRAR Community Outreach Committee. These members will work on various projects and events throughout the year. "Realtors® help build neighborhoods and communities, and volunteering time and resources with BGCA gives us the opportunity to help enrich and improve the lives of the young people in these communities. We are so excited to be able to help bring awareness of the Boys and Girls Club of the East Valley; they do amazing work with the youth of our community in helping make dreams possible," said Keri Hoge Means, 2016 SEVRAR Board President.

Southeast Valley Regional Association of Realtors® is one of the most trusted resources for real estate information in Arizona, and BGCA is the premier youth development organization in the U.S. Both organizations have come together to make an even greater difference in the community. "We are proud and excited to partner with **Southeast Valley Regional Association of Realtors®** and their members. This partnership will have an immediate and profound impact on our Clubs, our communities and most importantly, the youth we serve, especially those who need us the most," said Mark Hanke, CEO of the Boys & Girls Clubs of the East Valley. "We look forward to this partnership and working together on volunteer projects, club improvements and mentoring, as well as fundraising and awareness initiatives to enable more young people to achieve great futures."
