Sustainable Gardens in Urban Areas- The Trend is Here to Stay

Mesa, AZ- March 25, 2015- The 2015 SEVRAR Leadership Committee and many volunteers have transformed a vacant plot of land into a vibrant sustainable garden and park. Hundreds of plants, vegetables and trees have been planted in an effort to provide local food boxes to the needy and the guests of Paz de Cristo Community Center. In addition, park benches were purchased and a fish pond was constructed for the community to enjoy. The community celebration and ribbon cutting event will be open to the public and will held on Thursday, April 16, 2015 2:00 pm - 4:00 pm.

About Paz De Cristo - New Hope Garden

The New Hope Garden at Paz De Cristo is a collaborative Urban Garden project originated to provide an opportunity for a diverse group of people to come together and grow a sustainable garden.

The Garden will help provide Paz De Cristo visitors with healthy food for any in need. It will give many an experience to harvest, share and eat healthy food.

The New Hope Garden at Paz De Cristo will also provide many with inspiration to provide a local source of organically grown fruits and vegetables, educate people about the benefits of gardening, and cultivate a community of individuals committed to sustainable land use in an urban setting and fruit for the guests of Paz de Cristo Community Center.
