Mesa, AZ –SEVRAR Announces New Headquarter Location in Chandler, AZ

The SouthEast Valley Regional Association of REALTORS® (SEVRAR) is the largest local trade association in the valley and is proud to announce the new headquarters location in Chandler, AZ.

Driven by progress and a vision for the future, the SEVRAR Board of Directors has approved the purchase of 3.1 acres of land to build a new office complex and conference facility in Chandler, AZ. The new location is adjacent to Northrop Blvd, (just off the 202 and Cooper Rd) the northern portion of Lot 16, Chandler Airport Center Phase 2.

This area of the east valley will ideally enable SEVRAR to create a more centralized location for its members. Currently our demographic research shows that overwhelmingly both members' home and offices reside in the Gilbert and Chandler areas – south of the 202 Santan Freeway and further east of our current location. Thus, allowing us to expand our resources and infrastructure to provide additional classes, events and services. In addition, the potential of upgrades in meeting space, lease space, and a public facing facility will allow SEVRAR a more prominent place in the community.

"The timing to build a commercial structure from the ground up targets the move-in date to be early 2018," said CEO, Janet Kane.

Keri Hoge-Means, 2016 Board President at SEVRAR commented that, "as the South East Valley continues to grow we are proud to be a part of that growth, not only in promoting home ownership of the community, but in the new home of SEVRAR's offices."

SEVRAR will keep their members and the public informed as we progress forward on the project.

About SEVRAR

The SouthEast Valley Regional Association of REALTORS® (SEVRAR) is located in Mesa, AZ and serves over 12,000 members in the SE Valley. Our goal is to support the communities in which our members live, work and play, and together, promote and protect the quality of life enjoyed throughout the SE Valley. For further information on the project, please visit www.SEVRAR.com/newspace.com
